募集要項

As our clients, A leading global sports tech company continue to expand, they are seeking an exceptional, self-motivated, and resourceful Technical Support Specialist to deliver enterprise-level assistance. This strategically important role is vital to their growth in Japan. The ideal candidate will have a blend of strong technical aptitude, troubleshooting capabilities, and **customer-facing skills**, coupled with a passion for cutting-edge technology.

スキル・資格

- Preferably, a Bachelor's degree in Engineering.
- Minimum of **3 years' experience** in direct **customer support**.
- Exceptional written and spoken communication skills in both **Japanese and English**.

- Ability to explain technical information clearly and concisely to both technical and non-technical audiences.
 - Proven ability in troubleshooting and identifying root causes of issues.
 - Demonstrated skill in effective time management and handling escalations.
 - Self-driven individual who thrives in a small business environment.
 - Excellent communication skills, with the ability to explain concepts in writing and over the phone.
 - A passion for the sports industry is advantageous.
