募集要項

As a Supply Chain Coordinator, you'll manage logistics and replenishment planning for healthcare products. Ensure timely

and cost-effective delivery of products, maintaining high service levels.

Client Details

A leading company in their industry, renowned for innovation and quality. They prioritize efficient supply chain operations and global collaboration.

Description

- Develop and manage replenishment plans with business partners.
- Coordinate goods receipt, storage, and distribution with third-party logistics (3PL).
- Organize local logistics for timely, cost-effective product delivery.
- Handle package design changes in line with global and local standards.
- Identify and mitigate supply chain risks.

Job Offer

Competitive salary with comprehensive benefits. Opportunity to work in a dynamic, innovative environment.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Mike Corbyn on +813 6832 8601.

スキル・資格

- Proficient in supply chain management and forecasting.
- Excellent communication and critical thinking skills.
- Capable of working with global counterparts in English.
- Strong computer literacy and analytical skills.
- Proactive and team-oriented.
- SAP experience is a plus.

会社説明

A leading company in their industry, renowned for innovation and quality. They prioritize efficient supply chain operations and global collaboration.
