募集要項

A multinational life science organisation is searching for a Senior Accountant. The selected applicant will maintain and update financial records, including AP/AR, intercompany account balances, and general ledger entries.

This life science company supports industries all over the world with various agricultural products. The company believes in providing customers with high-quality and environmentally friendly solutions.

Keywords:

会計, 金融, 生命科学, 農業, 外資系

2068510/001

Responsibilities:

- Manage entire financial closing processes, ensuring the accuracy of financial statements
- Work closely with the finance shared service team at the headquarters to ensure consistent financial practices and reporting
- Lead in preparing and submitting tax provision reports and returns, ensuring compliance with local and international tax regulations
- Manage external and internal audit requirements by providing financial documentation, explanations, and reconciliations as needed
- Assist in implementing and maintaining internal control procedures to safeguard company assets and ensure financial accuracy
- Investigate and explain significant variances in financial results across the periods

Requirements:

- Bachelor's degree or above in accounting, finance, or a related field
- More than 7 years of accounting experience (multinational environment is ideal)
- Strong knowledge of accounting principles, financial regulations, and reporting standards, including IFRS and J-GAAP
- Knowledge of MS Office; especially MS Excel and MS Teams
- Background in SAP or other ERP systems is preferred
- Possess a valid certification such as CPA is advantageous
- Proficient in Japanese and English

会社説明

We've been a driving force in the Japanese bilingual recruitment market providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker and we never push people into unsuitable roles.
