About the Company:

Weave Living is Asia Pacific's leading integrated lifestyle rental apartment developer, owner, operator, and asset manager. Our beautifully designed and professionally managed living options include multifamily apartments, luxury serviced suites, and private studios in wholly owned buildings in prime city centre locations. We pride ourselves in bringing hassle-free city living experience to our residents delivering fantastic value. Our properties are home to global citizens who rave about our fully furnished, design-led living spaces, amazing, shared spaces, state-of-the-art technology, luxury amenities, unmatched service, and most importantly a vibrant community led by our very own brand ambassadors. Focus on sustainability, and creating positive social impact is at the heart of everything we do. We are a portfolio company of leading global private equity firm Warburg Pincus, and work with several marquee institutional investors as JV partners in our residential-for-rent asset management business. Our current AUM on a fully invested basis is c. USD 2.8 billion with over 2,300 units spread across APAC's key gateway cities. We are rapidly expanding in the region with Japan and Korea as key target markets, to

complement our existing presence in Hong Kong and Singapore.

About the role:

We're seeking a dedicated and experienced Finance Manager to join our dynamic team. As the Finance Manager, you will be responsible for overseeing the financial activities of the region and ensuring the efficient management of financial resources. This pivotal role requires a detail-oriented individual with a strong background in accounting and strategic thinking.

Key Responsibilities:

- Manage and oversee the day-to-day financial operations of the company, including budgeting, forecasting, financial analysis, and financial reporting.
- Develop and monitor financial policies and procedures to ensure compliance with relevant regulations and industry standards.
- Prepare and present financial reports to senior management and board members, providing insights and recommendations to drive strategic decision-making.
- Monitor cash flow, liquidity, and financial risk management, implementing strategies to optimize financial performance and mitigate risks.
- Collaborate with other departments to analyze financial data and create financial models for business planning and forecasting.
- Collaborate with external auditors, tax advisors, and regulatory bodies to ensure compliance with all financial reporting requirements.
- Evaluate and recommend improvements to financial processes, systems, and controls to enhance operational efficiency and effectiveness.
- Manage relationships with financial institutions, investors, and other stakeholders to support funding and investment activities.
