JOB RESPONSIBILITIES

- Procurement of Treated WEEE (e-waste) and other copper-based recycled materials from multiple industries in Germany and Europe.
- Contract negotiation, renewal, management, quotations.
- Contract monitoring and forecasting.
- Support suppliers exporting from Europe to Japan.
- Ensure compliance with regulations and company policies.
- Social media presence, marketing and promotion activity.
- Organize and attend industry specific exhibitions & conferences.
- Market analysis and research of potential suppliers.
- Coordinate meetings, appointments, travel arrangements.

JOB REQUIREMENTS

- Bachelor's degree in business, engineering, supply chain management, or related field.
- Some years of experience ideally in recycling business, scrap metal sourcing & marketing, overseas export, hazardous waste, communication with authorities, procurement, supply chain management or similar.
- Fluency in German and good English language skills are a must; further European language or Japanese is of advantage.
- Willing to travel within Europe and Japan.
- Willing to learn and obtain further qualification.
- Willing to grow with the job and take over more responsibility.
- Proficiency with MS Office.
- Driver's license.

BENEFITS

- 30 days of paid leave per year
