## 募集要項

In this dynamic Communication role, you'll craft and execute a compelling content strategy that strengthens their brand and showcases our thought leadership.

## Client Details

This company is a leading manufacturer that comprehensively develops housing equipment and construction materials. They are holding a significant market share in Japan's housing equipment industry.

## Description

- You will be responsible for developing and implementing a content strategy that reinforces our brand and establishes thought leadership
- Directly report to the Head of Corporate Communication in Japan
- Collaborate with international communications teams to produce top-notch content that elevates their corporate messaging. (You will be closely working with global communication colleagues in Europe, US, and ASIA Pacific)
- Oversee the entire content lifecycle across all our media platforms-their website, social media, and internal social media

**Job Offer**

- Full remote + office work once a month
- You will be closely working with global communication colleagues (Europe, America, ASIA Pacific)
- You will directly report to the Head of Corporate Communication in Japan
