### 募集要項

#### Summary:

We are seeking a skilled and experienced Global Project Manager to join our dynamic team. As a Global Project Manager, you will play a crucial role in managing and coordinating complex development projects across our global organization. You will be responsible for leading and motivating cross-functional teams, ensuring the successful delivery of high-quality products on time and within budget.

#### Responsibilities:

- Project management and leadership of development teams in Japan and overseas
- Negotiate with each department and other companies to achieve optimal specifications
- Development policy review and documentation
- Development code review and quality control

**Additional Opportunities:**

- Experience as a leader in a global organization, leading people in various positions and getting things done.
- Gain experience in modernizing and globalizing a service with over 7 million monthly active users (MAU)
- Collaborate with offshore teams

**Technology Stack:**

Front-end: Vue.js, React, jQuery

Backend: PHP, Go, Java

Database: MySQL, PostgreSQL, Cloud Spanner, Redis

Infrastructure: GCP, AWS

Editor/IDE: Visual Studio Code

**Our Mission:**

Driven by Based on our mission of balancing business and social contribution, we have developed and operated "skyticket", a travel booking site that allows users to search and reserve affordable airfare and hotels.

**Our Achievements:**

- Over 20 million downloads of our app since its release in 2015
- Profitable even during the COVID-19 pandemic, demonstrating resilience across the travel industry
- Record-breaking profits achieved in June 2023
- Expansion to 6 subsidiaries overseas
- Our Global Workforce :The percentage of international employees hired exceeds 50%, we are fostering a truly global development environment.

**Why Join Us?:**

- Embrace a Global Environment

Join a team of talented individuals from Amazon headquarters, Accenture, Salesforce, and our Future Creator talent acquisition program.

Thrive in a multicultural environment, working in both Japanese and English, enhancing your soft skills and increasing your market value.

- Drive Innovation and Growth

Be part of a company that actively creates new businesses, having launched three new services since 2023.

Contribute to cutting-edge AI solutions that are shaping the future of travel.

- Seize Opportunities for Career Advancement

Develop your global expertise and gain valuable experience that will set you apart in the job market.

Take on challenging projects and make a real impact on our company's success.

In today's rapidly evolving landscape where AI is playing an increasingly prominent role, simply PM skills are no longer enough to guarantee market value.

For those seeking a global challenge and the opportunity to make a difference, "skyticket" offers a wealth of opportunities.
