募集要項

【求人No NJB2242526】

We seek a highly motivated and detail oriented accounting manager to join our finance team. As a manager you will play a pivotal role in ensuring our organization's financial integrity and stability a responsibility that is integral to our purpose of OpenAgR. You will collaborate with various departments to maintain accurate financial records analyze financial data and support the organization's financial decision making process.

■Key Responsibilities:

- Financial Record Keeping: Maintain and update financial records including AP/AR intercompany account balances and general ledger entries in both IFRS and local GAAP.
- Month Quarter and Year end Close: Manage entire financial closing processes ensuring the accuracy of financial statements in compliance with both IFRS and local GAAP.
- Collaboration with Finance Shared Service Team: Work closely with the finance shared service team at the headquarters to ensure consistent financial practices and reporting.
- Tax Compliance: Lead in preparing and submitting tax provision reports and returns ensuring compliance with local and international tax regulations.
- Audit Management: Manage external and internal audit requirements by providing financial documentation explanations and reconciliations as needed.
- Internal Controls: Assist in implementing and maintaining internal control procedures to safeguard company assets and ensure financial accuracy.
- Trend Analysis: Investigate and explain significant variances in financial results across the periods.
- Resource Management: Manage and leverage temp (Haken) staff to deliver the requirements.

Reports To : Finance Controller

スキル・資格

- Bachelor's degree in accounting finance or a related field. Certifications such as CPA are a plus.
 - Seven years of accounting experience preferably in a multinational environment.
 - Strong knowledge of accounting principles financial regulations and reporting standards including IFRS and J GAAP.
 - Knowledge of SAP (preferred) or other ERP systems is a plus.
 - Proficiency in Microsoft Office particularly Excel and collaboration tools (MS Teams) .
 - Attention to detail and a high degree of accuracy.
 - Effective communication and interpersonal skills both in Japanese and English.
