募集要項

Join a growing team as a Business Analyst & Strategist, supporting a wide range of activities and working closely with C-level executives. Ideal candidates will balance IT and administrative experience to drive strategic initiatives.

Client Details

Our client is a top-tier global company known for its innovative technology solutions and commitment to excellence. They offer a collaborative and inclusive work environment where employees can thrive and make a meaningful impact.

Description

• Business Analysis:

- Gather and analyze requirements.
- Conduct stakeholder workshops.
- Evaluate emerging technologies.
- Prepare business cases and manage data reports.

• Operation Support:

- Implement process improvements.
- Document processes and report KPIs.
- Facilitate executive meetings and events.

- **Investigations:**

- Support C-level vision formulation.
- Investigate pain points and opportunities.
- Consolidate information into reports.
- Lead change initiatives and engage with diverse members.

Job Offer

- Work in a dynamic and innovative environment.
- Direct collaboration with C-level executives.
- Opportunities for professional growth and development.
- Weekends and holidays off.
- Standard work hours from 9:00 AM to 5:30 PM.
- Work with talented people from all over the world.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Naoko Toda at +81 3 6832 8648.

スキル・資格

- 3+ years of project management experience in IT.
- Proficiency in defining business requirements, working closely with engineers.
- Experience in Agile project environments and cross-cultural development teams.
- Preferred: Background in Data Engineering and familiarity with tools like JIRA/Confluence.
- Business-level proficiency in both English and Japanese for conversation.

会社説明

Our client is a top-tier global company known for its innovative technology solutions and commitment to excellence. They offer a collaborative and inclusive work environment where employees can thrive and make a meaningful impact.
