募集要項

As a Distribution Centre (DC) Controller, you support DC controlling and DC operations to achieve business results, optimize performance and ensure compliance.

Key responsibilities

- Responsible for all financial and operational data related to DC controlling, incl. set up and follow up on agreed budget, projects, KPIs (e.g. cost, service, sustainability) in terms of efficiency and productivity as well as quality assurance
- Support departments and management team with financial and quantitative insights as well as reports and analyses
- Support identifying and driving areas of improvement with regards to DC performance by performing relevant analyses and reports as well as define potential action plan, e.g. for improving profitability, service level, efficiency, DC costs etc.
- Support defining framework & reports structure to follow up on business results on regular basis, in alignment with overall global guidelines and reporting needs of DC mgmt., audit routines etc. Support and drive contract negotiation (e.g. oversee and initiate tendering of contracts with external vendors)
- Challenge , validate planning and provide quantitative decision support to DC management team

スキル・資格

To be successful as a Distribution Centre Controller, you have deep knowledge of controlling and strong analytical skillset. You make key decisions based on the risk assessment made from financial and operational perspective. You are a strong communicator to everyone in the business.

What you need to succeed:

- Good understanding of cross-functional departments and collaboration with Regional stakeholders
- Skilled in project management and building business case
- Ability to influence and understand your impact to others and contribution to the bigger picture/ the business.
- Agile mindset with a positive attitude to change and meaningful growth

Additional Information

Employment Type : full-time position

Reporting Line: Distribution Centre Controlling Manager

※You may choose to be based at either of our Japan Distribution Centre which will be discussed further during the interview.

Inclusion & Diversity

H&M is a part of H&M Group. At H&M Group, we're determined to create and maintain inclusive, diverse and equitable workplaces throughout our organisation. Our teams should consist of a variety of people that share and combine their knowledge, experience and ideas. Having a diverse workforce leads to a positive impact on how we address challenges, on what we perceive possible and on how we choose to relate to our colleagues and customers all over the world. Hence all diversity dimensions are taken into consideration in our recruitment process.

We strive to have a fair and equal process and therefore kindly ask you not to attach a cover letter in your application as they often contain information that easily can trigger unintentional biases.

Company Description

H&M is a fashion brand that offers the latest styles and inspiration, from fashion pieces and unique designer collaborations to affordable wardrobe essentials. Our business idea is fashion & quality at the best price in a sustainable way. Learn more about H&M at www.hmgroup.com
