募集要項

You will be responsible for the management of the manga and game translation business.
This is a challenging and rewarding job where you will be involved in the process of delivering content from major Japanese publishers, overseas Webtoon studios, game companies, etc. to the world.

Specific duties include

- Management of translation projects
- Review of business processes to improve translation quality and efficiency
- Proofreading of translations and scoring of translation tests
- Manage outsourcing partners (quality, cost, resources)
- Management of project managers

* We are looking for someone who can come to our Shibuya office.
