募集要項

- ・ Lead stakeholder engagement for a large-scale healthcare initiative in Japan.
- ・ Collaborate with international teams and stakeholders to ensure successful program delivery.

企業情報

Our client operates globally, providing specialized services in healthcare, risk management, and assistance. They work with a diverse range of clients to deliver essential services that protect and support people worldwide.

職務内容

- ・ Develop and execute engagement strategies that highlight the benefits of the healthcare program.
- ・ Work closely with stakeholders to provide ongoing support and education about the program.
- ・ Ensure alignment of engagement activities with program objectives through close collaboration with international teams.
- ・ Travel to various locations within Japan to engage with program participants and provide support.

条件・待遇

- A key role in shaping the engagement strategy for a global healthcare initiative.
- The chance to work with a dedicated team in a challenging and rewarding environment.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Peryhan Essam on +813 6832 8691.

スキル・資格

- Extensive experience in healthcare, medical services, insurance, or military services.
 - Experience working with or for a U.S.-based company, or substantial experience working within the U.S., is highly advantageous.
 - Proven track record in managing complex programs or projects, ideally within a regulated industry.
 - Strong client and stakeholder management skills with the ability to navigate diverse environments.
 - Excellent interpersonal skills, with the ability to lead, influence, and collaborate across various teams and cultures.
 - Self-motivated problem solver, comfortable with ambiguity and complex organizational structures.
 - Strong analytical capabilities with the ability to synthesize complex information into actionable strategies.
