募集要項

A global beverage company is seeking a Senior Finance Business Analyst to join their Finance, IT, Data & Supply Chain department. The selected candidate will provide financial and business analysis support.

An international organisation that produces several highly regarded beverages, this company is a worldwide conglomerate with customers from all corners of the globe. With thousands of employees and a dedicated customer base, this organisation continues to be a market leader.

Keywords:

2062980/001

Responsibilities:

- Conduct monthly financial reporting and analysis on actual brand performances, including sales growth, P&L analysis, and cost structures
- Support the Sales & Operations Planning (S&OP) cycle, ensuring alignment across all stakeholders
- Deliver accurate forecasts and analysis for financial statements, focusing on P&L, Gross Margin, A&P, SG&A, and Cash Flow
- Maintain effective communication with Joint-Venture counterparts and other affiliates to ensure coordinated business operations
- Manage Representative Office operations and oversee profit equalisation calculations and legal coordination

Requirements:

- Bachelor's degree or above
- 2-3 years of experience in Finance/Corporate Planning (FP&A)
- Prior experience in a multinational corporation or international environment
- Expertise in P&L analysis
- Background to Budgeting and Financial Reporting
- Experience with Cash Flow analysis is advantageous
- Skilled in MS Office Suite; ERP and BI tool (Power BI, Tableau)
- Business level written and verbal Japanese and English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
