2089710/001

Responsibilities:

- Partner with BU Directors to set and monitor performance targets, manage KPIs, assess risks, and exploit opportunities to achieve objectives
- Provide commercial and financial insights on sales effectiveness, profitability, asset efficiency, pricing, and risk management
- Administer strategic planning, budgeting, and forecasting processes to meet business goals
- Analyse market trends, competitive landscape, and competitor strategies to inform business decisions
- Support and monitor business initiatives and change initiatives within the organisation
- Manage external relationships with suppliers and customers to ensure optimal outcomes

Requirements:

- Bachelor's degree or above in finance, commerce, or accounting is ideal (post-graduate degree or equivalent in business management or administration is a plus)
- More than 8 years of post-qualification experience
- More than 2 years of experience in a senior commercial finance position
- Experience in established or international stakeholders
- Understanding of budget planning and forecasting
- Ability and willingness to travel

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
