2064980/001

Responsibilities:

- Report to the Regional Business Controller and focus on local sales company activities
- Manage accounting tasks, tax-reporting, credit control, bank structure, and external audit coordination
- Support the Management team in driving business from a business control perspective
- Prepare accurate financial reports, budgets, and forecasts
- Ensure timely and accurate local tax reporting and oversee banking tasks
- Coordinate external and internal audits, and perform credit control tasks

Requirements:

- Bachelor's degree or above in finance or accounting
- More than 5 years of experience in finance and accounting
- Experience in a global environment and with group reporting
- Prior experience in people management
- Excellent general accounting skills
- Understanding of Japanese accounting standards
- Familiarity with IFRS
- Proficient in MS Excel
- Proven experience in business control is ideal
- Fluent level Japanese and English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
