募集要項

Accounting position to primarily handle overseas accounting and consolidation | Career development, WFH and flex time available

Client Details

Our client is an online service provider based in Japan that enhance operational efficiency and customer engagement for businesses. Its platform integrates reservation management, customer relationship tools, and payment processing. With a global reach across multiple countries in Asia, Europe, and the Americas, thousands of businesses utilize its services. Since its launch, the company has processed a significant volume of reservations and continues to innovate by providing streamlined solutions that combine essential management functions.

Description

- Manage periodic financial closures (monthly, quarterly, yearly).
- Oversee cash transactions, including receipts, payments, transfers, and reimbursements.
- Assist with queries from various internal teams.
- Provide support for international financial reporting, including regular reviews of local accounting practices.
- Facilitate collaboration with external accounting firms.

Job Offer

- Career path
- Work-life balance (<20 hours/month of OT)
- WFH and flex time available

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Karisa Djohan on +81 3 6832 8605.

スキル・資格

- Relevant experience in accounting.
 - Strong numerical and communication skills.
 - Proactive, motivated, and curious.
 - Strong communication in both Japanese and English.
 - Experience in English-speaking and international environments preferred.
 - IT industry background, especially in startups, is a plus.
