2097790/001

Responsibilities:

- Operate daily logistics activities such as goods in, goods out, aliquoting etc.
- Lead the team to work more efficiently and proactively showing your strong leadership and any data evidence.
- Comply with all compliances related to both Global and Japanese EHS requirements.
- Engage in cross-functional communication
- Monitor KPI and implement any Kaizen activities

Requirements:

- More than 5 years of experience in import, export, and domestic delivery
- More than 5 years of leadership experience
- Prior work experience in a global organisation
- Fluent level written and verbal Japanese and written English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
