募集要項

Company Profile

- A global leader in medical technology, develops innovative products and solutions to enhance healthcare. They focus on improving patient outcomes through advanced surgical equipment, devices, and services. Committed to quality and sustainability, they aim to support healthcare professionals in delivering better care.

The Role

- The Business Analysis Manager fosters collaborative relationships with local business teams and partners with IT to ensure consistent customer engagement. This role involves providing expertise to identify technology opportunities, mentoring analysts, and acting as a liaison between business and technical teams.
- Build and maintain strong relationships with local teams and act as a liaison with IT partners.
- Understand and apply knowledge of commercial processes to IT strategies.
- Enhance business analysis through best practices, mentoring, and education.
- Manage relationships with senior business stakeholders.

- Collaborate with business and technical teams to find optimal solutions.
- Define use cases that align technology with business objectives.
- Ensure effective communication between stakeholders and technical teams.

Your Skills

- Fluency in Japanese and business-level English required.
- Proven track record in delivering business applications and managing projects.
- Experience with implementation and post go-live enhancement/support in BI & Data management.
- Experience working with high-level business stakeholders in a matrix organization, emphasizing collaboration and persuasion.
- Skills in documenting complex processes, evaluating business processes, and recommending enhancements; experience with process mapping is a plus.
- Knowledge of Agile development methodologies.

Location

Tokyo

Salary

10- 14 million yen

Selling points

- International environment with adaptable work culture
- Very flexible work style
- They are growing rapidly; Japan is one of the strongest business markets for the company

Reference Number: 06940-0013080292

会社説明

Founded in 1948, Robert Half pioneered the idea of professional talent solutions and is now the world leader in placing accounting, finance, banking, and technology professionals, as well as sourcing and placing candidates for executive search.

With more than 300 offices worldwide, Robert Half makes it easy for job candidates to find the services they need, with office locations in Tokyo and Osaka, Japan.

Robert Half has been recognized as one of FORTUNE's "Most Admired Companies ®" for 25 consecutive years (February 2022).

1948年に設立されたロバート・ハーフは、プロフェッショナル人材ソリューションのパイオニアとして、現在では会計、財務、金融サービス、テクノロジー分野のプロフェッショナル人材の紹介や、エグゼクティブサーチの候補者の発掘・紹介で世界をリードする存在となっています。

世界中に300以上の拠点をもち、日本には東京と大阪に2つのオフィスを構えています。ロバート・ハーフは25年連続でFORTUNE誌の最も賞賛される企業「Most Admired Company®」の1つに選ばれました。（2022年2月）
