募集要項

An international financial services organisation is searching for an Accounting Consultant. The chosen applicant will be responsible for understanding local JGAAP requirement to onboard clients new to the Japan market.

An international financial services company based in Asia. With thousands of professionals across a number of jurisdictions, this company oversees hundreds of thousands of legal entities. This company is a true market leader.

Keywords:

財務, 会計, 金融サービス, コンサルタント, 外資系

2082440/001

Responsibilities:

- Collect necessary documentation and client information for effective onboarding process initiation
- Align internal standard processes with client requirements
- Organise collected information for transition to the ongoing team for daily operations
- Manage and communicating with clients and partners located globally
- Provide support to the ongoing team as necessary
- Identify potential risks, recommend solutions, and report to supervisors
- Gather feedback from clients during and after the onboarding process for continuous improvement

Requirements:

- Bachelor's degree or above in business, finance, or accountancy
- 3-4 years of work experience in a related field
- Strong knowledge of accounting and finance principles
- Proficient in MS Office 365
- Excellent communication skills
- Knowledge of accounting systems such as Microsoft Dynamic Navision, SAP, Xero and Oracle, and online banking platforms is advantageous
- Business level English; proficient in Japanese is a plus

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
