募集要項

【求人No NJB2209274】

【Job Description】

To serve as a liaison to the medical/ scientific community and responsible for establishing developing and partnering with Health Care Providers/ Professionals (HCPs) and HCS. To implement clinical and educational strategies in collaboration with other Novartis colleagues for designated stakeholders. To pair key stakeholders' scientific educational and research needs with available Novartis resources and provide the latest emerging data in response to specific HCP inquiries as

appropriate.

Your responsibilities include but are not limited to:

- Collection from HCP/HCS/Patients and generation of actionable insights that may impact Novartis development plans trial designs launch strategies and tactics
- Planning and execution of field medical strategic and tactical plans (MEEP) aligned with Japan medical franchises and Medical Excellence and Execution
- Lead to accelerate new customer engagement models for field medical with full utilization of NGE
- Develop and maintain understanding of community of practice by understanding area specific challenges and HCP needs in collaboration with commercial colleagues
- Guideline related communication to ensure appropriate positioning and patient access
- Contribute to the identification and mapping of MEs/decision makers
- Contribute to the development of publication plans medical event
- Upon investigators' unsolicited requests liaise between potential researchers and Novartis on the IIT/MTA submission process
- Work as Patient Engagement Liaison (PEL)
