- Drive customer satisfaction and manage Order-To-Cash processes
- Review customer complaints and implement corrective actions
- Monitor KPIs and drive continuous process improvement

Requirements:

- Bachelor's degree or above
- More than 5 years of experience in supply chain management or sales and marketing
- More than 3 years of experience in leadership
- Experience in DG storage and handling requirements
- Proficient in MS Office Suite
- Knowledge of automotive customers, market, and demand
- Proficient in English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
