ABOUT CIC & CIC FUKUOKA

CIC builds and operates a global network of innovation campuses where startups, scale-ups, corporations and public entities connect, work, and grow. Founded in 1999, CIC manages more than 111,000 square meters of innovation-focused workspace, laboratories, and event space across North America, Europe and Asia. Additionally, CIC develops innovation-related programming, builds and enables industry clusters, and provides world-class innovation consulting.

CIC Fukuoka, set to open on the 7th floor of the Shin Fukuoka Building, will encompass approximately 3,500 m2, featuring around 140 private offices, a co-working space with 40 seats, and shared conference rooms. Similar to CIC Tokyo, our first Asian site which launched in October 2020 in the Minato-ku business district, CIC Fukuoka is poised to become another leading innovation hub in Japan. It will also include amenities like conference rooms, kitchen/café space, game room and others, aiming to replicate CIC Tokyo's success and reputation as a prestigious center for startups and innovation, known for hosting VIPs and fostering new businesses.

YOUR DAY-TO-DAY WORK

You'll be collaborating with the Fukuoka leadership team, selling a well-regarded product and service in a new market. Your role involves enhancing CIC's visibility and reputation in Fukuoka by generating leads, drawing new clients, and sustaining robust support for them once they join our space. Additionally, you'll focus on forging ties to integrate CIC Fukuoka into the local community.

Potential responsibilities will include:

- Employing innovative strategies to generate leads, aiding in efforts like broker engagement, marketing campaigns, direct outreach, and networking to attract potential clients.
- Address daily inbound inquiries by phone, email, form submission and in person.
- Using needs assessments and tours, assisting prospective clients in evaluating whether CIC is the ideal environment for starting or growing their business.
- Acting as a key figure, alongside the General Manager, in establishing external community relationships.
- Conducting tours for potential clients and informative groups, such as student bodies or visiting delegations.
- Managing a portfolio of clients and overseeing their experience at CIC. This includes adapting to their evolving business needs, like changing office space requirements, and guiding them to suitable solutions.
- Intentionally build your network of client, partner, and industry contacts to glean potential partnerships and market intelligence. Join relevant associations and selectively participate in industry events.
