募集要項

A renowned industrial manufacturing company is seeking an Accounting Manager. The selected candidate will oversee financial operations and drive strategic financial initiatives. This is a hybrid setup role.

A company that supplies gas measurement equipment for use in semiconductor and FPD manufacturing. It offers total solutions to improve productivity with a wide product range, world-class performance, and know-how.

Keywords:

会計マネージャー, 財務, 財務管理, 求人, 外資系

2071870/001

Responsibilities:

- Plan, organise, and execute financial tasks and projects of the organisation
- Estimate provisions required for short and long-term financial objectives
- Complete financial reports and initiate month-end closing processes according to GAAP
- Support the Controller in budgeting, forecasting, and reporting
- Manage relationships with banks, auditors, and tax authorities
- Provide financial insight and analysis to enhance business performance
- Supervise preparation of monthly, quarterly, and annual reconciliations and enforce compliance with accounting standards
- Lead finance staff, providing feedback and ensuring task completion
- Conduct US SOX self-assessments

Requirements:

- Bachelor's degree or equivalent in Finance or related field
- More than 5 years of job-related work experience
- Experience with Oracle/SAP (ERP systems) is ideal
- Possess a valid CPA certification preferred
- Business level English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
