募集要項

A global renewable energy company is seeking a Director of Accounting. The selected candidate will lead financial operations and drive process improvements to support the company's growth. This is a hybrid setup role.

A global leader in the renewable energy industry, offering sustainable energy solutions across Europe, Asia, and the Americas. The company is renowned for its innovative approach and dedication to helping clients achieve a carbon-free future.

Keywords:

2117870/001

Responsibilities:

- Supervise the Accounting team, ensuring accurate monthly close and reporting
- Drive the financial planning process at both business unit and executive levels
- Manage profit and loss, cash flow, and balance sheet impacts
- Ensure compliance with US GAAP and internal accounting policies, overseeing group reporting requirements
- Facilitate communication with regional leaders, producing financial statements and variance analysis
- Lead the month-end close, consolidation, and internal reporting activities

Requirements:

- Bachelor's degree or above in accounting or similar
- More than 10 years of accounting leadership and public accounting experience
- Proven experience in team management within multi-national environments
- Proficient in Netsuite, Excel, and Access
- Familiarity with renewable energy industry is preferred
- Professional level Japanese; fluent level English

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
