募集要項

Digital Marketing Manager (Online Media & Data Manager)

Report to: EC & Digital Manager, Digital Division

Responsibility: Online Media & Data Manager is a critical role in increasing active followers for Guerlain Japan by generating on and offline traffic.

◆ Expand brand presence by leading in planning, execution and implementation of online media channel strategy for Search Engines, Meta, LINE, Youtube, and DX&DATA activity.

- ◆ Create and develop content strategy to increase brand desirability through 360 online communication and deliver a best-in-class omni-customer journey.
 - ◆ Create and drive the online media strategy and annual calendar based on targeted objectives.
 - ◆ Collaborate and manage internal and external stakeholders to create a cohesive digital media presence.
 - Support PR partners to increase coverage across different social media platforms.
 - Collaborate, initiate and/ or manage data/DX projects
 - Establish relationships with Digital key players (Google, FB/IG, LINE, X and others) to collect insights and ensure communication is up to date with online media trends.
 - ◆ Measure and analyze the effectiveness and ROI of activities, to provide key insights to support business expansion.
 - ◆ Managing the organization's budget for digital media campaigns, and initiatives as well as creating weekly and monthly business reports.
-

スキル・資格

- ◆ More than 5-10 years' experience in digital marketing
 - In-depth knowledge of the various digital channels and technologies
 - Experienced in paid media strategy, planning and execution
 - A proven track record of successful digital marketing campaigns
 - Experience in managing budgets and forecasting/reporting
- ◆ Outstanding communication, presentation, and leadership skills
- ◆ Excellent organizational and time management skills
- ◆ Strategic and creative thinking. Focus on innovative, but measurable client solutions.
- ◆ Strong negotiation and problem-solving skills
- ◆ Business level English (speaking and writing) and Native level Japanese
