#### 募集要項

• This Product Manager role focuses on driving brand strategy for key oncology products in the genitourinary field. You will collaborate cross-functionally and with external partners to develop and execute impactful brand plans.

#### **Client Details**

• Our client is a leading global biopharma company dedicated to innovation in healthcare and life sciences. They are known for fostering a collaborative culture, prioritizing patient outcomes, and pushing the boundaries of science to improve lives.

#### Description

• Develop and execute integrated brand plans aligned with global strategies.

- · Collaborate cross-functionally with marketing, medical, sales, and regulatory teams.
- Create promotional materials to enhance brand equity and market presence.
- Analyze market trends and forecast to ensure accurate strategic planning.
  Build relationships with key stakeholders, including KTLs and industry partners.
- Build relationships with key stakeholders, including KrEs and industry parties.
   Manage budgets and agency workflows to meet brand objectives.

# Job Offer

- Competitive salary and benefits package.
- Opportunity to work on innovative therapies with a meaningful impact.
- Training, professional growth, and the chance to work with a globally respected team.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Ed Marsden on +813 6832 8981.

# スキル・資格

- Proven skills in market analysis, forecasting, and strategic planning.
- Strong project management and communication abilities.
- Experience in oncology or immuno-oncology marketing is preferred.
- High ethical standards and cross-cultural collaboration experience.
- Fluency in English and familiarity with JPMA promotional codes are a plus.

# 会社説明

Our client is a leading global biopharma company dedicated to innovation in healthcare and life sciences. They are known for fostering a collaborative culture, prioritizing patient outcomes, and pushing the boundaries of science to improve lives.
