募集要項

COMPANY OVERVIEW

An international Japanese non-ferrous parts manufacturer is looking for a Sales Engineer to work on Product Development for their automotive business division.

The office is located in Wuppertal.

JOB RESPONSIBILITIES

- Collaborate with sales representatives to understand customer needs.
- Collaborate with R&D departments in other countries to develop products.
- Responding to technical problems with products.

JOB REQUIREMENTS

- Business-level English.
- Knowledge of product design using CAD.
- Experience in product design for the automotive industry preferred.
- Knowledge of polymers preferred.

BENEFITS

- Cutting-edge knowledge from an industry leader.
- Opportunity to develop in an international team.

Apply online or feel free to contact me directly for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
