募集要項

Responsibilities

- Manage the daily operational AR/collections activities and month-end/quarter-end close process, including preparation of AR, collections and cashflow reports, to achieve accuracy in financial accounts and meet deadlines.
- Uphold financial controls by covering bank reconciliations, AR/debtors reconciliations, and more.
- Engage with internal and external stakeholders on receivables and collection matters, including resolving irregularities and assisting with external queries.
- Provide recommendations in streamlining AR reporting process and systems enhancements.

Requirement:

- Bachelor's degree in accountancy.
- Good command in English
- 3+years working experience preferably in Account Receivable or collection.
- Strong computer and analytical skills, including proficiency in Microsoft Excel.
