

募集要項

Responsibilities:

1. Advisory and Proposal Services: Provide strategic advice and proposals to the Project

Management team and project owners regarding property operations.

2. Facilitation of Owner Discussions: Facilitate discussions with property owners and support

decision-making processes for property operations, including cost and responsibility demarcations

between different property sections.

3. Document Review: Review construction-related documents, including drawings, from a

property management perspective, ensuring plans for utilities, security, key management, and fitout demarcations are in place.

4. Financial Estimations: Provide financial estimations in the early project stages to support project owners, including OPEX, CAPEX, sinking fund, and long-term maintenance planning.

owners, including OPEX, CAPEX, sinking jund, and long-term maintenance planning.

5. Property Management Plan Drafting: Develop initial drafts of property management plans, including zone/area setup, stacking plans, and management vendor structures.

6. Operational Team Structure: Advise on the structure of the operational team post-building handover.

7. PM Tender Documents: Prepare and implement property management tender.

8. Handover Sessions: Attend handover sessions, including the handover instruction, MEP testing, commissioning, and document review.

9. Reporting and Presentations: Prepare reports and presentations related to property management planning and setup.

10. Document Control: Manage document control related to property management planning and setup.

11. Leasing and Marketing Support: Assist with leasing and marketing activities.

12. Contract Support: Review and support property management-related contracts, including vendor agreements, utility contracts, and insurance.

13. PM Team Setup: Support the setup of the property management team appointed by the project.

14. SLF and Certification: Assist with SLF and certification processes.

15. Pre-Opening Event Promotion: Support the promotion of pre-opening events.

16. Owner Support: Provide direct business and activity support to the property owner.

17. Coordination with Hotel and SA Operators: Coordinate with hotel and serviced apartment

operators as necessary.
