募集要項

Our client, an MNC in the Construction/Engineering industry, are looking to set up their regional HQ in Singapore. This position will serve as part of the regional team and hands-on work will be expected.

Responsibilities

- Draft, review, and negotiate a broad range of commercial agreements in the area of construction matters.
- Provide contractual advisory to ensure compliance with contract obligations and procedures.
- Manage and mitigate legal risks and ensure that significant issues are recognised and addressed.
- Design and implement company policies and procedures on a regional basis
- Liaising and collaborating effectively with other departments.

- Resolve disputes on contractual matters amicably with the relevant internal and external stakeholders.

Requirements

- LLB required
- At least 7 years of experience, particularly in contractual matters or in a construction or engineering MNC
- Well versed in local regulations and compliances. Regional experience will be a bonus
- Possess strong personal & negotiation skills and leadership qualities
- Good experience in handling construction disputes
