募集要項

Senior Civil Drafter

Our top client is a leading consultancy firm specializing in **Civil & Infrastructure**. They provide innovative solutions and services in Construction, Design (Architectural, Structural, Mechanical, and Electrical), Construction Management, Engineering, and Property Development:

- Extensive experience with numerous successful projects across the region, including residential, commercial, industrial, and infrastructure developments.

JOB RESPONSIBILITIES:

- Using sketches, models, layouts, or designer and engineer notes as a guide, create and alter detailed drawings.
- Complete AutoCAD drafting under the designer's or engineer's guidance with little oversight.
- Recognize project specifications and record designs for comprehensive construction drawings.
- To produce precise drawings, adhere to the design specifications.
- NBN planning, draft road, drainage line marking, water, and sewer.
- Revise drawings to account for modifications to the design.
- Verify that every drawing is correct and complies with the applicable authority guidelines or the company's CAD manual.

JOB REQUIREMENTS:

- A certificate or diploma in **Civil Engineering**.
- A minimum of **4 - 5 years** of experience in the field.
- Proficiency with **AutoCAD** or comparable applications.
- Written and verbal proficiency in Bahasa Malaysia and English.

Click **Apply Now** to apply for this role or forward your updated CV to aaron.weller@jac-recruitment.com

Thank you!
