募集要項

Company and Job Overview

A financial shared service company specializing in manufacturing is seeking for a talent with 3 to 6 years of experience in shared service General Ledger Record to Report (RTR/R2R). This role requires an individual capable of analyzing monthly reconciliation, month end journal entries, and the monthly general accounting tasks.

Job Responsibilities

- Review spending trends with department leaders to update forecasts and budgets.
- Examine financial reports to identify issues and provide insights.
- Handle month-end journal entries, balance sheet reconciliations, and update product costs.

- Collect data for presentations, prepare tax filings, assist with audits, and analyze project expenditures for improvements

Job Requirements

- Bachelor's degree in accounting or a related field.
- Minimum of 3 years of shared service R2R/RTR/General Accounting experience required.
- Preferred experience in accounting, forecasting, planning, or expense analysis.
- Strong knowledge of GAAP and SOX.
