#### 募集要項

- Developing and implementing safety policies, procedures, and guidelines in line with local laws and regulations.
- Ensuring the highest safety compliance standards and a healthy work setting for staff, visitors and vendors.
- Monitoring and staying updated on safety regulations, codes and standards applicable to the industry.
- Responsible for emergency preparedness and response efforts, including developing evacuation plans and procedures.
- Investigating accidents, incidents and near-miss events to determine root causes and implementing corrective measures to prevent a recurrence.
- Collaborating with cross-functional teams to promote safety initiatives and ensure the integration of safety practices into daily operations.
- Establishing and maintaining effective communication channels with external organisations, such as government bodies, safety organisations and insurance companies.

- Conduct regular inspections and audits to identify potential safety issues and ensure compliance with established safety protocols.
- Provide regular safety training sessions and organise impactful safety campaigns to promote awareness.
- Maintain accurate records and documentation for safety inspections, incidents and training.
- Stay updated about emerging safety trends, regulations and best practices to ensure continuous improvement.
