## 募集要項

The Supply Planner will oversee the entire supply chain process, ensuring product availability and optimal inventory levels. The role involves demand consolidation, supply planning, and monitoring key performance indicators (KPIs) to drive efficiency and meet business objectives.

## Client Details

The company is a global leader in personal care products and cosmetics, whose products you can find on the shelves on majority of supermarkets and specialized shops, loved and nurtured by millions of consumers all over the world. It operates through various divisions and is committed to sustainability while maintaining a strong competitive position in the market.

## Description

- Manage supply planning by aligning stock levels with service policies and forecasts.
- Consolidate and analyze global demand variations to create accurate supply plans.
- Monitor and optimize the replenishment process, addressing stock shortages and collaborating with suppliers to ensure timely delivery.
- Track and report on KPIs related to inventory, service levels, and replenishment efficiency.
- Identify and manage slow-moving or obsolete stock, implementing corrective action plans.

#### Job Offer

- A chance to work with a leading global company in the beauty industry, driving supply chain excellence.
- Opportunities for professional growth and development within a dynamic and innovative environment.
- Competitive compensation package and exposure to high-impact supply chain projects.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Kateryna Orlova at +81368328663.

---

#### スキル・資格

- The ideal candidate will have 2+ years of experience in supply chain planning,
  - Candidates in production or with supply planning experience welcome.
  - Strong analytical skills,
  - Effective communication abilities,
  - Proficiency in tools like SAP,
  - Background in engineering, mathematics, or a similar field, are preferred.
  - A business-level command of English and Japanese is also essential.
- 

#### 会社説明

The company is a global leader in beauty and cosmetics, known for its innovation and premium product offerings across multiple beauty categories. It operates through various divisions and is committed to sustainability while maintaining a strong competitive position in the market.
