Pie Systems is building a platform to support, build, and expand tourism through a digital approach, starting with the \$70B+ tax-free shopping industry globally. Our mission is **“Empowering local partners, globally. Delighting global tourists, Locally”**. We seek to empower local partners and global tourists with data, analytics, and marketing to help grow sales and spend by tourists at local establishments including retail shops, restaurants, hotels, etc. The tourist-facing Pie VAT app enables more touch points with tourists as they are abroad, encouraging easy exploration, discovery, and shopping. For store partners, our tax-free platform is digital, efficient, and free to use.

We're a global, VC-backed startup working at the intersection of fintech, retail, and travel. Our core product, Pie VAT is a frictionless digital solution for the \$70b tax-free shopping. We are a remote-first distributed team across the US, Europe, and Asia (hubs in San Francisco, Copenhagen, and Tokyo). Among our thousands of store partners are some of the best-known brands and retailers in the industry.

As Pie's growth accelerates and our product continues to delight users, we're looking for incredible people to help us achieve

our ultimate vision of creating the best tourism experience. Our product-first focus allows for features and decisions to be led by a customer-centric mindset. We're analytical and ambitious - willing to do whatever it takes to empower our teams, and bring as much value as possible to our customers.
