募集要項

We are seeking a detail-oriented and strategic Procurement Manager to oversee purchasing operations in our retail department. The successful candidate will possess a strong understanding of supply chain management and a proven record in cost-effective procurement.

Client Details

Our client is a large organization in the retail industry, known for its commitment to providing quality products and outstanding customer service. With a multinational presence, the company promotes a culture of innovation and continuous improvement.

Description

- Coordinate contract implementation and local tasks with procurement, suppliers, and requestors.
- Promote global/regional contracts to local stakeholders.
- Support strategic sourcing and spot buys.
- Provide input on local spend and supplier market insights.
- Gather and clarify local requirements (budget, suppliers, delivery, etc.).
- Assist in local supplier qualification for industrial components or services.
- Resolve issues with purchase requests, specifications, and orders.
- Execute urgent spot buys and track PO delivery.
- Manage and monitor electronic catalogues and contracts.
- Lead service awareness, training, and act as a contact for procurement.

Job Offer

- Opportunity to work from home 2 days per week, with flexible working hours.
- A chance to be part of a large organization in the retail industry.
- A supportive and innovative company culture.

We encourage all candidates who believe they can enrich our retail team with their procurement skills to apply. This is your chance to make a significant impact in a large retail organization
