### 募集要項

#### About the company

We are one of the leading online service providers in Japan with wide ranging services from e-commerce to booking sites to financial service products and even life sciences/cancer treatments.

During this global pandemic we been performing very well and while some of their businesses took a temporary hit, other businesses are making more than up for it with significant growth as a whole business.

#### What's in it for you

- Fast growing, multi-cultural, international team
- Work in a dynamic, collaborative, and transparent culture where your talent is valued over a role title.
- Work/Life Balance: we honor great work and producing great deliverables. Not sitting in the office all day and night.
- Opportunities: variety, innovation, and unique challenges, where you can learn something new every day as well as Utilization of new technologies.

## スキル・資格
