## 募集要項

We are seeking an enthusiastic and detail-oriented individual for an Associate Auditor role in the insurance industry. This position requires a strong foundation in audit or risk & control functions.

## Client Details

This opportunity is with a well-established, large organization in the insurance sector. Based in Tokyo, the company is globally recognized for its commitment to customer service and innovative products. Known for its diverse and inclusive culture, the company has a strong focus on professional development and career progression.

## Description

- Conduct regular audits to ensure compliance with industry and company standards.
- Identify potential risks and propose effective mitigation strategies.
- Prepare detailed audit reports and present findings to management.
- Collaborate with other departments to improve risk management procedures.
- Stay updated on industry trends and regulatory changes.
- Participate in special projects related to risk and compliance as required.

**Job Offer**

- A hybrid work model offering flexibility and work-life balance.
- Opportunities for professional development and career advancement within the company.
- An inclusive and diverse company culture that values employee engagement.

If you're a driven individual looking to build a rewarding career in the insurance industry in Tokyo, this Associate Auditor role could be the perfect fit for you. Apply today to join a dedicated team.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Carl Iso +818046764473.

---

**スキル・資格**

A successful Associate Auditor should have:

- A strong foundation in audit or risk and control functions.
  - Fluency in Japanese and business level proficiency in English.
  - Certified Internal Auditor (CIA) or Certified Public Accountant (CPA) credentials are highly desirable.
  - Ability to work effectively in a team and independently.
  - Excellent communication and presentation skills.
-
