募集要項

A leading MNC in the Retail (Mall) industry is looking for a Senior Inbound Marketing Executive to plan and implement marketing strategies to attract tourists to their mall.

Main Responsibilities:

- Develop and implement strategic business planning to attract overseas tourists to the mall.
- Identify and build business relationships with strategic partners namely tour operators, travel agents, tourist guides, hotels, bus operators etc. which are aligned to target markets.
- Develop and manage strategic communication channels according to target markets.
- Understand the various inbound market needs, demands, preferences and develop a dashboard of intelligence for

internal and tenants' knowledge for further performance enhancement.

- Review effectiveness of inbound marketing activities and identify gaps for further improvement.
- Develop a loyalty program that supports the business model and provide value added benefits for stakeholders.

Key Requirements:

- Possess a diploma, degree or above.
- **Able to speak Mandarin.**
- Have strong knowledge or connections in the tourism industry.
- Willing to travel within Malaysia to meet partners or other third parties when required.
