Senior Interior Designer

A new headcount for Senior Interior Designer has just been created within our client in the luxury interior design industry in Singapore.

About the Senior Interior Designer:

In this role, your main responsibility is to lead design process from concept development to project completion. You will need to understand client's needs, preferences and budget constraints.

Key Responsibilities:

- Develop comprehensive design proposals, including mood boards, floor plans, and 3D renderings.
- Oversee project timelines, budgets, and coordination with contractors and vendors.
- Mentor and guide junior designers and interns, fostering a collaborative team environment.

To be successful in this role, you need to have luxury interior design experience and stay updated on industry trends.

Key Requirements:

- Diploma or Degree in Interior Design/ Architecture is preferred
- Minimum of 5 years of professional experience in interior design
- Proficient in design software such as AutoCAD, SketchUp, and Adobe Creative Suite
- Able to manage multiple projects and meet deadline
- Excellent communication and presentation skills

Apply today or email me at sherlynn.lee@jac-recruitment.com or call me at +65 6411 0476 to discuss this new opportunity.

Do note that we will only be in touch if your application is shortlisted.
