募集要項**COMPANY OVERVIEW**

Our client, a MNC pharmaceutical company is now seeking an experienced **PV/RA Executive** who is a Singapore registered and licensed Pharmacist with at least 1 year of experience in pharmacovigilance and/or RA within the industry.

If you are an individual with strong organizational and process management skills, able to multi-task effectively and has proven ability to effectively build lasting relationships by demonstrating strong interpersonal and influencing skills throughout all levels of the organization, please submit your applications of interest now!

JOB RESPONSIBILITIES

- Maintains current knowledge, ensures compliance, and communicates with the relevant global, regional and local functions of the local regulatory requirements.
- Review, process and forwards safety events (pre-marketing and post-marketing) and/or other medically related

information to Global PV and submits such safety events to the local health authority according to relevant global/local SOPs and local requirements.

- Perform review of abstracts and full articles to identify safety information from literature sources.
- Support creation, management, and oversight of local RMP and all RMP-related PV activities.
- Support creation and management of local PSMF development.
- Liaise with investigational site and reporter as necessary regarding safety issues.
- Develop and maintain PV Business Continuity Plan in accordance with global SOPs.
- Acts as primary point of contact for local health authority.
- Preparing registration dossiers to achieve timely regulatory approvals and maintenance of the existing licenses in the local market.
- Reviewing change requests and assessing regulatory impact of product changes.
- Reviewing proposed labelling for compliance with product branding, global/regional standards and applicable regulations, & etc.

JOB REQUIREMENTS

- Bachelor's Degree in Pharmacy with 1 – 3 years of experience in PV and/or RA experience in Singapore pharmaceutical industry.
- Must be a registered and licensed Singapore Pharmacist.
- Teamwork and collaboration with cross functional teams

Apply online or feel free to contact me directly for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
