募集要項

Position: Assistant Manager (Sustainability/ ESG)

Responsibilities:

- Develop and implement the annual strategic plan for Environment Social Governance (ESG) to align with business goals and direction.
- Establish and enforce ESG policies and processes.
- Prepare reports and presentations for the Board of Directors, management teams, and external stakeholders as needed.
- Communicate ESG risk management strategies and initiatives to both internal and external stakeholders.
- Oversee annual stakeholder engagement activities to ensure alignment with ESG principles.
- Conduct evaluations and surveys to ensure the company adheres to ESG standards.
- Develop and implement action plans with relevant ESG goals.
- Review, update, and enhance ESG policies and related guidelines to align with global trends and standards.
- Collaborate with various departments to develop sustainability initiatives and improve sustainability performance.
- Lead the annual sustainability assessment, reporting, and disclosures in line with relevant standards.
- Manage the collection, analysis, and compilation of ESG data for the annual Sustainability Report according to relevant guidelines.
- Coordinate with business functions to complete questionnaires and prepare materials for assessments and certifications.
- Gather information and develop sustainability reports, presentations, and knowledge resources for both internal and external stakeholders, including public disclosures.

- Manage diverse sustainability projects, ensuring timely completion within budget and scope.
- Promote sustainability awareness, providing guidance and support to all business units within the organization.

Qualifications:

- Bachelor's degree in a related field or equivalent experience.
 - A minimum of 3 years of experience in sustainability or ESG-related fields.
 - Experience in implementing sustainability projects.
 - Proficiency in sustainability reporting, carbon footprint programs, and greenhouse gas initiatives.
 - Strong project management skills.
 - Proficient in English with strong skills in MS Office, especially Excel and PowerPoint.
 - Excellent communication and team collaboration abilities.
