募集要項

The Company distribution of over 1,000 species and varieties of ornamental fish from around the world, manufactures and distributes various aquarium accessories, such as pet foods and medications

Job Title: Sales & Operation Manager

Location: Pathum Thani - Rangsit (4 mins drive to Thammasat Rangsit)

Salary: 80,000- 100,000 THB

Job Description:

We are seeking an experienced professional with a strong background in the pet or ornamental fish industry or a similar field. The role is to manage Sales and Operations.

Responsibilities:

- Oversee and manage multiple teams and projects.
- Support the growth and expansion of operations in Thailand and across various regions.
- Develop and maintain strong relationships with key accounts.
- Ensure the distribution of over 1,000 species and varieties of ornamental fish
- Manage the manufacturing and distribution of various aquarium accessories, such as pet foods and medications.

Requirements:

- Proven experience at the Manager or Senior Manager level.
- Strong background in the pet industry or a similar field.
- Demonstrated leadership abilities.
- Ability to manage and oversee multiple projects and business expansion
