募集要項

COMPANY OVERVIEW

A Japanese company is looking for **Sales Manager Japanese language (JLPT N2 or above)** position.

Location: Ho Chi Minh City

JOB RESPONSIBILITIES

- Manage and develop an organization's strategy including working with BOD to identify business goals and objectives and then designing and implementing a solution that meets those goals.
- Lead and manage a team of 3 sales members to execute the company's strategy of finding and approaching potential clients.
- Identify, target and approach potential clients through various channels including online research, networking events, and referrals.

- Develop and maintain a robust pipeline of leads by reaching out to prospective clients.
- Focus on selling customer support solutions (call center services) and related technology solutions.
- Present and promote our Technology, Data, Digital and Business Intelligence services and solutions to prospective clients.
- Understand client needs and tailor solutions to meet their specific requirements.
- Build and maintain strong, long-lasting client relationships to expand new projects.
- Act as the primary point of contact for clients, ensuring high levels of customer satisfaction.
- Regularly update clients on new features and services.
- Stay up to date with industry trends, competitor activities, and market conditions.
- Provide feedback to the product development team to enhance our business intelligence offerings
- Stay updated on industry trends, competitive offerings, and market demands in the digital marketing, BI, and data analytics spaces.

JOB REQUIREMENTS

- Bachelor's Degree.
- **At least 7+ years prior work experience in sales, a strategic consulting, business development.**
- **Fluency in Japanese language is required (JLPT N2 or above).**
- Good in English (equivalent IELTS with a minimum of 6.0 or TOEIC 800 or above, not certificate required).
- **Experience in sales, particularly in selling solutions (non-physical products).**
- Possess the financial and business acumen to build compelling account-growth plans.
- Robust knowledge of the client/industry space.
- Consultative Business Development mentality and approach.
- Demonstrable expertise in driving business result, able to think outside of the box, but target driven and focused to deliver outstanding outcomes for our clients.
- Previous experience achieving revenue targets and strategic growth.
- Nice to have: Experience working for in Japan or Japanese company.
