募集要項

Join Our Dynamic Team!

Are you an experienced Civil Engineer looking for an exciting opportunity to work on high-impact projects? We are seeking a talented **Senior Quantity Surveyor** to join a team in New Delhi. If you have a passion for civil engineering and a drive to excel, we want to hear from you!

Position: Senior Quantity Surveyor

Location: New Delhi

Key Responsibilities:

- **Estimation & Billing:** Independently manage estimation and billing related to all construction areas.
- **Tendering:** Prepare and analyze tenders, negotiate contracts, and manage subcontractors.
- **Cost Estimation:** Prepare detailed cost estimates for projects, including materials, labor, and equipment costs.

- **Risk Management:** Identify and mitigate potential risks and disputes related to costs and contracts.
- **Project Management:** Collaborate with project managers to ensure projects are delivered on time, within budget, and to the required quality standards.
- **Communication:** Communicate effectively with project managers, architects, engineers, contractors, and clients.

Desired Candidate Profile:

- **Education:** Bachelor's or Diploma degree in Civil Engineering or related field.
- **Experience:** Minimum 10-15 years of experience in quantity surveying, preferably in the construction industry.
- **Skills:**
 - Strong understanding of civil engineering principles and practices.
 - Good negotiation skills.
 - Excellent communication and coordination skills.
- **Other:** Willing to work in any part of India.
