## 募集要項

- The Agile Coach is an internal consultant to guide and facilitate the adoption and improvement of agile methodologies.
- This role requires a deep understanding of Agile methodologies and the ability to facilitate change in a team-oriented environment.

## Client Details

- The company is one of the biggest life insurance firms in the world, with an established presence in Japan from more than 30 years of operating in Japan.
- The company offers various career paths and opportunities for career growth.

## Description

- Facilitate the adoption and improvement of Agile methodologies within the team.
- Provide coaching, mentoring, and feedback to team members.
- Collaborate with stakeholders to understand their requirements and ensure the team delivers high-quality solutions.
- Resolve conflicts and remove obstacles that may impede the team's progress.

- Monitor team performance and suggest necessary actions for improvement.
- Prepare and present reports on the team's progress and successes to stakeholders.
- Stay updated on Agile practices and industry trends to apply them as needed.
- Promote a culture of continuous improvement within the team.

#### Job Offer

- Generous time off plan from short term paid leave such as care leave, to long term leave such as childcare leave (up to 3 years) and 20 days of general paid leave per year
- Club activity within the company
- Office: lounge on every floor and cafeteria
- Flex time
