募集要項

The role of an HRBP (Human Resources Business Partner) is integral to the Industrial / Manufacturing department within our

organization. The successful candidate should effectively collaborate with internal stakeholders to understand business objectives and develop HR strategies that drive performance and growth.

Client Details

Our client is a prominent global entity in the industrial and manufacturing sector. With a large workforce and significant presence in Shinagawa City, they stand as a beacon of innovation and sustainability. Their commitment to providing quality products and services has garnered a reputation for excellence across the globe.

Description

- Develop and implement HR strategies aligned with business goals
- Provide consultation to management on strategic staffing plans, compensation, benefits, training, and development
- Manage and resolve complex employee relations issues
- Work closely with management and employees to improve work relationships, build morale, and increase productivity and retention
- Provide HR policy guidance

Job Offer

- A competitive salary ranging between ¥10,350,000 to ¥12,650,000
- An opportunity to be part of a dynamic team in a large organization
- A role that offers a blend of strategic and operational exposure
- A vibrant and inclusive work environment that values diversity

We invite dedicated and motivated candidates seeking challenging roles within the industrial and manufacturing sector to apply for this exciting HRBP opportunity in Shinagawa City.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Momo Liu on +81 3 6832 8692.

スキル・資格

A successful HRBP should have:

- A solid understanding of HR best practices and current regulations
- Exceptional interpersonal and communication skills
- Strong decision-making and conflict management skills
- Proficiency in HR management systems
