募集要項

Junior Drafter (Penang):

A top-tier global construction and engineering firm providing innovative solutions and services as a general contractor in Construction, Design (Architectural, Structural, Mechanical and Electrical), Construction Management, Engineering and Property Development:

- A global network of 100 offices around the world.
- 50+ successful projects completed in Malaysia ranging from residential, commercial, warehouses, factories, industrial facilities and infrastructure projects.

JOB RESPONSIBILITIES:

- To assist with shop drawing tasks for the Drawing Manager or Assistant Drawing Manager.
- To oversee the shop drawings and coordination of all projects and other tasks in collaboration with the appropriate project managers, suppliers, and subcontractors.
- Using shop drawings to incorporate Kajima Standard Details.
- To oversee and mentor each draftsman in the performance of their tasks.
- To put into practice all rules, actions, guidelines, and directives that are pertinent and mandated by the Kajima Total Management Systems.
- To carry out any additional tasks and obligations as directed by the superior.
- To put into practice all rules, actions, guidelines, and directives that are pertinent and mandated by the Kajima Total Management Systems.
- To carry out any additional tasks and obligations as directed by the superior.

JOB REQUIREMENTS:

- Have an architecture degree or diploma, or something similar.
- Three years or more of work experience is required.
- work experience in the building sector.
- Able to work autonomously with little guidance.
- Able to interact with people at all levels.
- Industrial building project experience, with data centers being the best
- **Location of work:** Simpang Ampat.
