募集要項

A Corporate Controller is required to oversee all aspects of financial management, including corporate accounting, regulatory and financial reporting, as well as the development of internal control policies and procedures in the FMCG industry.

Client Details

Our client is a leading global organization seeking a talented Corporate Controller to join their dynamic team. This role offers an exciting opportunity to monitor business performance, participate in strategic planning, and contribute to finance projects in a multicultural environment.

Description

- Business Performance Monitoring: Oversee business reporting and financial analysis to track performance.
- Budgeting & Forecasting: Participate in regional budgeting, forecasting, and strategic planning.
- Finance Projects: Play a key role in finance projects, ensuring successful execution.
- Expense Control: Analyze and control business expenses, ensuring consistency with budgets and trends.
- Cost Optimization: Contribute to cost optimization initiatives.
- Monthly Reporting: Perform monthly reporting for management review.
- Ad Hoc Analysis: Support the team with ad hoc project analysis.

- Global Projects: Act as the local representative for rolling out global projects.

Job Offer

- Competitive salary and benefits package.
- Leadership and development opportunities.
- Impactful work in a dynamic and collaborative environment.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Hai Le at +81 3 6832 8623.

スキル・資格

A successful Corporate Controller should have:

- Fluent in Japanese and English (spoken and written).
 - Experience in FP&A or a related finance analyst role.
 - Experience working in a multicultural, global organization with a matrix structure.
 - Strong communication skills and the ability to partner with colleagues across all levels of management.
-
