## 募集要項

This role will support the accounting team for the group company and work closely with the accounting manager | WFH and flex time, career path

## Client Details

A listed global company specializing in precision instruments and controls serves industries like pharma, electronics, and automotive. It operates in over 30 countries, generating multi-billion-dollar revenue across four business segments. With around 8,500 employees worldwide and over 200 in Japan, it offers a supportive and friendly work environment. Employees can transfer between departments to gain new experience and develop their skills. The company also provides opportunities to improve English communication.

## Description

- Handles accounting tasks, including A/R, A/P, fixed assets, and general ledger entries.
- Ensures financial records are accurate with proper documentation and reconciliations.
- Assists with monthly, quarterly, and yearly closing processes.
- Prepares payments, financial reports, and supports tax filings or audits.
- Helps with general administrative tasks as needed.

**Job Offer**

- Career path
- Internal transfer opportunities
- WFH and flex time available
